With this week, we conclude the first part of Lent. We continue our lessons in the faith, as our practices of Lent become deeper and more full of grace.

The simple and powerful words of the Opening Prayer guide our daily prayer. We continue to wake each morning, pausing to ask for the graces we desire for the day. Throughout each day, the background of our thoughts and feelings is more and more taken up with what this journey means for our personal change of heart, the renewal of our Baptismal commitment to be placed with Jesus, and our growing desire to act in solidarity with the poor. We go to bed each evening, after pausing to give thanks for the gifts of the day.
