**How do you pray?**

Is there a right or a wrong way of doing it? Should we pray lying in bed or kneeling at the altar, alone or in company, in the church or out in nature, in stillness and silence or with tambourines and songs of praise?

The first disciples weren't quite sure how to go about things, and today we see them approach Jesus to ask him 'Lord, teach us to pray'. In response, he gave them the words of what we now know as the 'Our Father'. But he had some more advice for the disciples too - keep praying!

If you were to call on a friend for help in the middle of the night, Jesus says, your persistence alone would convince him to help. If a child asks for food, their parents will naturally grant what they ask for. The message is clear - we just have to keep asking. [Intercom]
