MISSION SUNDAY, October 21st 2018.

The Deep End Mission and fullness of life.

Each October we celebrate *World Mission* and the month begins with the *Day for Life*. Mission is about promoting life. Mission defends the weak and the voiceless; people who are overlooked and overburdened. Mission says ‘No’ to the ‘culture of death’ which ignores, discards and terminates the weak, the dependent and the unborn. Mission welcomes every child as a treasure deserving of care and support.

Our Mission is to affirm the incredible holiness of each person. The incredible holiness of each family; to build up one another, by putting fresh hearts into one another, by encouraging each other. “Show affection and concern for one another. Love surmounts even the worst barriers”. AL 140

In *Amoris Laetitia* Pope Francis says that we should seek new forms of missionary creativity (AL 57). In AL 181 he goes on to say “Families should not see themselves as a refuge from society, but instead go forth from their homes in a spirit of solidarity with others. In this way, they become a hub for integrating persons into society and a point of contact between the public and private spheres.” As families can we learn more about the *Society of Missionary Children?* Can our family be a hub for greater engagement with the work and campaigns of Trócaire?
[Brian O’Toole CSSp, Spiritan Missionary]

Learning about the Mass. Why Go To Mass?

When you are baptised you became a member of God’s family and we call that the Church. You might think the church is just a building but the Church is also the name we give to the people who gather in the building. Without the people, the Church would be just another building.

One of the most important things we do as part of God’s family is go to Mass.
