Deep appreciation and sincere thanks to all involved at national, diocesan and parish level supporting the WMOF 2018 and the visit of Pope Francis.

Possibly its greatest impact was through live satellite transmission worldwide and also worldwide media reporting. Its key aim was to promote 'Care of Family' worldwide. 'The future of humanity passes by way of Marriage and Family.'

All the dioceses of Ireland committed to funding it. Budgeting and fundraising was successful. The overall cost was twenty million euro. At this stage it is 80% paid for.

Reflect on how the event is something we can be proud of. This is the final National Collection. Give generously if you can afford it. The collection in the diocese of Kerry is being held on the weekend of 17<sup>th</sup>/18<sup>th</sup> November – a week later than most other dioceses.

*Bishop Ray Browne.***Today's Readings:**

**1<sup>st</sup> Reading:** In the middle of a famine, a poor widow shares the last of her food with the prophet Elijah, and far from losing by so doing, she is enriched. **Psalms:** God keeps faith with orphans, widows, and all who are oppressed. **2<sup>nd</sup> Reading:** Through his death Christ has taken our sins and has opened for us the door to salvation. **Gospel:** In the eyes of others the offering of the widow was the least, but in the eyes of Christ it was the greatest.
