Let's Celebrate Easter

It's the greatest feast we celebrate as Christians; it is what gives meaning to our lives. But Easter doesn't happen for me unless it happens to me.

Holy Week opens on Palm Sunday. The palms are visible signs of the powerful prayer of God's church which calls down the blessing of God upon all the places they are at. As we listen to the Gospel next Sunday, we hear about Christ's Agony in the Garden, the Betrayal and all the terrible things which followed it until Our Lord was laid in the grave.

But all this time we are to remind ourselves that this was no failure, no defeat; it was all done, that he might enter into His glory.
