

## Kenmare Parish Child Protection Policy Statement

We in the PARISH OF KENMARE value and encourage the participation of children and young people in parish liturgies and in activities that enhance their spiritual, physical, emotional, and social development. We recognise the dignity and rights of all children and are committed to their protection and support.

In keeping with this we will work to do all in our power to create safe environments for children, young people and vulnerable adults, in order to secure their protection and enable their full participation in the life of the Church.
